Forecast Win in 1967

Where have you gone Stan Musial and Red Schoendienst or Joe Medwick and Dizzy? The Cards are looking up at most of the NL about have Carlton, Bob Gibson, Flood, Maxvill, Jim Nash and Jim Hardin (who again?) The guys bother combinations half are still there-Lindsay McDaniel and Larry Sherry though. Building a contender is tough when the future system isn't great. If you're a Cardinals' fan-enjoy, otherwise have hope.
